**Mistie McBride, PT joins Rehab Practice Management, LLC**

Alpine, TX August 27, 2008 – Rehab Practice Management, LLC announced today that Mistie McBride, PT has accepted the position of Director of Rehabilitation Services at Big Bend Regional Hospital in Alpine, TX.

Mrs. McBride received her Master of Science degree from Texas Women’s University in Houston Texas. She has more than 10 years experience as a Senior Manager and Consultant for a national rehabilitation services company.

About her new assignment, Mrs. McBride said, “My husband is originally from Alpine so we are both very excited about relocating and raising our children in the same close-knit community where he was raised. I am also extremely excited about joining the rehab team at Big Bend Regional. They are a wonderful group and we have an opportunity to expand many of the rehabilitation services offered to the community.”

Rehab Practice Management (RPM) COO, Jennifer Sjoblom, commented: “We are very pleased to have someone of Mistie’s caliber join our team. Mistie brings to RPM a level of management and consulting experience that will allow RPM to continue to grow and achieve success in West Texas. We have a strong, stable team in Alpine that will benefit greatly from Mistie’s direction. I look forward to working with Mistie for many years.”

Rehab Practice Management, LLC, headquartered in Franklin, TN is a privately held healthcare company that provides rehabilitation programs and management services to hospitals. RPM also operates wholly owned outpatient clinics in markets non-competitive to its hospital customers.
